MIPERMIT

1

REGISTER

You can register for a MiPermit account any time. Simply visit www.wanttopark.com/northessex and follow the instructions to 'Buy Digital Permits'. An account will be registered at the same time you buy your permits.

2

BUY

Once you've registered for a MiPermit account, simply log in to your account, select 'Buy Digital Permits', and follow the simple instructions.

You can view or update the vehicle registration mark on your permits online or on the MiPermit app.

3

USE

Resident and business permits will automatically activate upon purchase.

Visitor permits can be activated online, by the MiPermit app, SMS, or by telephone.

ONLINE – Login to your MiPermit account. Select 'Manage Digital Permits', choose your Borough / District, and select 'Visitor Permits'. Complete the permit details and activate the permit.

BY APP – Login to your MiPermit account. Select the menu button, choose 'Permits' and activate a visitor permit. Complete the permit details and activate the permit.

BY SMS – Send a text from your mobile number registered to your account to 61600 with the words **VISITOR**, your visitor's vehicle registration mark, followed by either **6HOURS** or **24HOURS** (standard network rates apply).

For example, **VISITOR T123EST 6HOURS**

BY TELEPHONE – Call us on 01206 282316, or MiPermit on 0345 520 7007, and we'll set up the permit for you (standard network rates apply).
