

The Essex County Council (Tendring District) (Permitted Parking and Special Parking Area) (Consolidation) (Amendment No.58) Order 201*

Statement of Reasons

Introduction of Properties 48 – 68 St Osyth Road Clacton-on-Sea

A residents parking scheme has recently been introduced into nearby roads. The proposal is intended to introduce additional properties into the permit schemes catchment area (48-68 St Osyth Road). The residents of these properties will be able to apply for permits to park in the resident permit scheme. Since the introduction of the permit scheme the residents of these properties have had difficulty in finding parking spaces - having previously used on-street parking in Herbert/Watson and Prior Road.
